

Work Programme 2010

Surveys and research

Collect information about research and major evaluations on mentoring as instrument to foster women's career in academia (and beyond) and make references available on the eument-net homepage.

International Conferences

Disseminate information on eument-net at international Conferences.

- through members of the eument-net committee
- through members of eument-net (Poster; manual; Inputs in the name of eument-net only with prior discussion with eument-net president and committee; etc.)
- through organisers of conferences who can ask for manuals to be sent to their conference.

International conferences where eument-net will be present in 2010:

- epws general Assembly (June 2010, in GB)
- ForumMentoring Conference (20 – 21 September 2010, Germany)

Workshops and panels

A workshop will be organised in Lausanne, Switzerland on 25-26 February 2010, on the issue of "Mentor training and Coaching" (see announcement).

Eument-net members can have a reduced fee (if membership is paid) and will have priority for registration.

The results of this workshop will be published on the eument-net homepage. The publication of a brochure is envisaged.

Transnational mentoring cooperation

Members of eument-net are encouraged to develop international mentoring exchange in the frame of their programmes. eument-net committee will contact the BodenseeMentoring Netzwerk to exchange experience on transnational mentoring.

Publications

Continuing dissemination of the guideline manual "Establish Mentoring in Europe" in its English and Bulgarian editions. Assess possibility of (electronic) publication of contributions to eument-net workshop.

Electronic Platform

Administer the webpage and enhance the use of the electronic platform. Establish a mailing-list and a newsletter.

Participation in the science policy debate

Encourage members to participate in national discussions for inputs to the FP7 SIS/Gender and Research work programmes.

Application for projects and fund-raising

Continue contacts and efforts to generate possibilities for sponsorship through public and private institutions and foundations.

Cooperation with other networks

Participate at the epws GA and standing committee "Support of women scientists".

Pursue and establish contacts with regional and national networks of mentoring programmes. Put links of these networks on the eument-net homepage.

Follow up efforts for putting up mentoring activities in Eastern & Southern Europe.

Membership

Continue efforts to enhance membership and to broaden the geographic scope of members.

Management and administration

Organise the GA in 2010, 19 september 2010 (next to ForumMentoring Conference).

Organise payment of membership fees.
